

MEDIA RELEASE N. 3/24

## PRE-REGISTRATION OPEN FOR ZEROEMISSION MEDITERRANEAN 2024!

Cormano, 16 July 2024 - In three months time, from 16 to 18 October 2024, [ZEROEMISSION MEDITERRANEAN](#) will return to the Fiera Roma exhibition centre.

Now is the time to plan your visit to this **major international event focused on energy transition**: free pre-registration is open.

**ZEROEMISSION MEDITERRANEAN 2024**, now in its fourth year, is the meeting place for discussion and doing business between professionals in the renewable energy, energy efficiency and environmental sustainability sectors. Visitors will have the opportunity to meet with companies in the **photovoltaic, agrivoltaic and other renewable, e-storage, ev-charging, e-mobility, advanced air mobility, energy efficiency and environmental sustainability fields**. Numerous meetings, training sessions and expert updates will be held during the event, alongside a packed program of conferences, seminars and workshops.

There will be no shortage of insights into important sector focuses. **ZEROEMISSION 2024** is characterized by the two thematic areas: [Air Mobility](#), dedicated to Advanced Air Mobility and [Redox Flow Batteries](#), focused on storage for applications. New to this year's event is the collaboration with [Roma Drone Conference](#): held in conjunction with the exhibition, the tenth edition of the professional conference in the sector of drones and innovative air mobility, it is an event par excellence for training and getting the latest updates on **UAS (Unmanned Aircraft Systems)**.

The [Blue Planet Economy Expoforum](#) will also take place at the same time as **ZEROEMISSION 2024**. This event turns a blue-toned spotlight on innovation and sustainable development: innovative projects, policies and strategies will be reviewed in all production sectors and areas that have an impact on the marine and coastal economy.

Visitor registration is simple: just complete the form on the **ZEROEMISSION 2024** website, <https://www.zeroemission.show/>. You will receive your **FREE entry ticket** via email.

## MEDITERRANEAN 2024

INTERNATIONAL CONFERENCE AND EXHIBITION

16-18  
OCTOBER  
2024

ROME  
ITALY

PHOTOVOLTAICS, RENEWABLE ENERGIES AND GREEN TECHNOLOGIES FOR SOUTHERN EUROPE AND THE MEDITERRANEAN COUNTRIES

**ZEROEMISSION MEDITERRANEAN**, founded in 1999, is the historic brand for the promotion of renewable energy, sustainability, electric mobility, fight against climate change, decarbonization and electrification of energy consumption in Italy, Southern Europe and other Mediterranean countries. A business to business event, reserved solely for professionals, who want to make the most of the opportunities for change that renewable energies offer us, the key players in a rapidly evolving and developing sector.

**ZEROEMISSION MEDITERRANEAN 2024** is an event organized by **A151 srl** in collaboration with **Fiera Roma**. The event is supported by **Roma Capitale** and by **Mase**, the **Ministry of the Environment and Energy Security**. **ZEROEMISSION 2024** is sponsored by many important sector associations including **Adaci**, **Cer Confartigianato Lazio** and **Confartigianato Rome Metropolitan City**, **Unindustria Rome**, **Federcepi Costruzioni**, **Finco**, **Owemes**, **Kyoto Club**.
